

SMSTS Refresher

Site Management Safety Training Scheme Refresher

This two day course aims to refresh your understanding of your key responsibilities and accountability for site safety, health, welfare and the environment, enabling you to provide healthy and safe working conditions for everyone on site.

Course structure:

- ✓ The current focus of the Health and Safety Executive's attention
- ✓ Risk assessment and method statements
- ✓ Construction Site Health, Safety and Welfare
- ✓ Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR)
- ✓ Behavioural safety
- ✓ Occupational health
- ✓ Overview and changes to the current legislation affecting construction

Course information:

The cost of this course includes all registration/certification fees and the publication - GE 700 Construction Site Safety

Duration: 2 days

Open course venues are usually Carlisle or Penrith.

If you have between 8 & 12 candidates you would like to book on a training course we will train at your premises subject to suitable training / meeting room and welfare facilities. This in house training option works out cheaper than booking individual candidates on separate training courses.

Entry requirements:

You must hold a valid SMSTS certificate, which has been gained within the last five years. This qualification must be renewed every five years by attending this SMSTS Refresher course. You must also have a good understanding of spoken and written English. Please contact us if you have any concerns in this area.

Assessment and exams:

This is a highly interactive course delivered by means of case studies, classroom discussion, group work and individual/group presentations. You will be continuously assessed and required to successfully complete a multiple choice test.

Qualifications/certification:

Upon successfully completing the course you will be awarded a CITB Site Safety Plus certificate.

The United Kingdom Contractors Group (UKCG) recognises this course as meeting the required standard for all managers working on UKCG sites.
