

SSSTS Refresher - Site Supervisors Safety Training Scheme Refresher

This one day course will reinforce and update your knowledge and understanding of your legal responsibilities regarding health, safety, welfare and environmental issues.

Course structure:

- ✓ The Health and Safety at Work Act
- ✓ Understanding the need for method statements and risk assessments
- ✓ Construction Site Health, Safety and Welfare
- ✓ Effective toolbox talks
- ✓ Supervision of occupational health
- ✓ Behavioural safety
- ✓ Overview and changes to the current legislation affecting construction

Course information:

The cost of this course includes all registration/certification fees and the publications - GE 706 Site Supervision Simplified and GT 700 Toolbox Talks.

Open course venues are usually Carlisle or Penrith.

Duration: 1 day

Entry requirements:

You must hold a valid SSSTS certificate, which has been gained within the last five years. You must also have a good understanding of spoken and written English. Please contact us if you have any concerns in this area.

Assessment and exams:

This is a highly interactive course delivered by means of case studies, classroom discussion, group work and individual/group presentations. You will be continuously assessed and required to successfully complete a multiple choice test.

Qualifications/certification:

Upon successfully completing the course you will be awarded a CITB Site Safety Plus certificate.

The United Kingdom Contractors Group (UKCG) recognises this course as meeting the required standard for all supervisors working on UKCG sites.
