

HEALTH AND SAFETY CONSULTANTS AND TRAINING SERVICES

SSSTS - Site Supervision Safety Training Scheme

This is a two-day course and is intended for those who have, or are about to acquire, supervisory responsibilities. It provides supervisors with an understanding of health, safety, welfare and environmental issues, as well as their legal responsibilities relevant to their work activities. It will highlight the requirement to promote health and safety to supervise effectively.

The SSSTS course is endorsed by Build UK as the standard training for all construction supervisors.

Course Content:

- ✓ The Health and Safety at Work Act
- ✓ Understanding the need for method statements and risk assessments
- ✓ Construction Site Health, Safety and Welfare
- ✓ Effective toolbox talks
- ✓ Supervision of occupational health
- ✓ Behavioural safety

Course information:

The cost of this course includes all registration/certification fees and the publications - GE 706 Construction site supervision and GT 700 Toolbox Talks.

Entry requirements:

Candidates should hold or be about to hold the role of a supervisor. Candidates must be able to read, write and understand English to a good level. Please contact us if you have any concerns in this area.

You will need to provide Photographic ID on the first day of the course, such as a copy of your passport or driving licence.

Assessment and exams:

This is a highly interactive course delivered by means of case studies, classroom discussion, group work and individual/group presentations. You will need to do some self-study outside of the course. You will be continuously assessed and required to successfully complete a question paper, made up of multiple choice question and short written answers.

Qualifications/certification:

Upon successfully completing the course you will be awarded a CITB Site Safety Plus certificate valid for 5 years. To remain certified in this area, you will need to take a refresher course before the expiry date on your certificate, otherwise the full course will need to be retaken.
