

## HEALTH AND SAFETY CONSULTANTS AND TRAINING SERVICES

### HSA - Health and Safety Awareness

This Site Safety Plus course is a popular route for anyone looking to take their first step towards obtaining a CSCS Labourers (Green) Card.

This one day course can be for those who have entered, or are about to enter, the construction and civil engineering industry. The course gives candidates an awareness of health and safety and how it affects their daily role.

#### Course topics:

- ✓ Responsibilities for your own safety and the safety of others
- ✓ Typical construction hazards and how these are controlled
- ✓ Legal requirements and liabilities
- ✓ Working at height
- ✓ Manual handling
- ✓ Fire prevention
- ✓ Work equipment
- ✓ Occupational health

#### Course information:

The cost of this course includes all registration/certification fees and the publication – GE 707 - Construction health and safety awareness.

Duration: 1 day (approx 7 ½ hours)

#### Entry requirements:

You must have a good understanding of spoken and written English. Please contact us if you have any concerns in this area.

Please let us know if any candidates are under 18 as we will require a signed parental consent form.

You will need to provide Photographic ID on the first day of the course, such as a copy of your passport or driving licence.

#### Assessment and exams:

This is a highly interactive course delivered by means of case studies, classroom discussion, and group work. You will be continuously assessed and required to successfully complete a multiple-choice test.

#### Qualifications/certification:

Upon successfully completing the course you will be awarded a CITB Site Safety Plus certificate.
