SMSTS-R - Site Management Safety Training Scheme - Refresher

The Site Management Safety Training Scheme – Refresher (SMSTS-R) course is for candidates who have previously passed the full Site Management Safety Training Scheme (SMSTS) course or subsequent refresher course and can provide proof of attendance.

* You must complete this SMSTS refresher before your certificate expires or you will need to re-take the full course.

It aims to bring health and safety knowledge up to date, as well as giving a thorough overview of the legislative changes and their impact in the workplace. The course includes a wide range of topics as suggested below.

Topics covered:

- ✓ The current focus of the Health and Safety Executive's attention
- ✓ Risk assessment and method statements
- ✓ Construction Site Health, Safety and Welfare
- ✓ Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR)
- ✓ Behavioural safety
- ✓ Occupational health
- ✓ Overview and changes to the current legislation affecting construction.

Course information:

The cost of this course includes all registration/certification fees and the publications - GE 700 Construction Site Safety.

Entry requirements:

The refresher course is only for candidates who have previously passed the five-day construction Site Management Safety Training Scheme (SMSTS) or subsequent refresher course and hold a valid SMSTS certificate. Candidates must be able to read, write and understand English to a good level. Please contact us if you have any concerns in this area.

You will need to provide Photographic ID on the first day of the course, such as a copy of your passport or driving licence.

Assessment and exams:

This is a highly interactive course delivered by means of case studies, classroom discussion, group work and individual/group presentations. You may need to do some self-study outside of the course. You will be assessed and required to successfully complete a question paper, made up of multiple choice question and short written answers.

Qualifications/certification:

Upon successfully completing the course you will be awarded a CITB Site Safety Plus certificate valid for 5 years. To remain certified in this area, you will need to take a refresher course before the expiry date on your certificate, otherwise the full course will need to be retaken.
